The Honorable Lamar Smith
Committee on Science, Space, and Technology

Dear Mr. Smith,

I am writing to ask for a personal interview with you or a member of your staff to explain why your committee has a duty to investigate a situation that disgraces the United States. I endeavored to explain this in an email sent on January 4, 2015. However, I have been unable to determine even if this email has been received.

This is a serious matter that concerns national security and the integrity of science. The email contains this link to all of the exchanges I have had concerning this matter:

Very truly yours,
