Dear Mr. Potterveld,

I think you should know that Arthur Holder is not interested in my criticism of two members of the faculty of GTU. Ted Peters and Robert Russell are behaving disingenuously about the article I submitted to The Center for Theology and the Natural Sciences titled, "An Analogy Between Nazi Germany and the United States." (<http://www.pseudoscience123.com/good-evil/cope.html>). I've attached my correspondence with Peters and Russell.

Very truly yours,

David Roemer
