Dear Dr. Paley,

I submitted the attached article ("An Analogy Between Nazi Germany and the United States") to Perspectives on History. It was rejected, but the editors or editor did not handle the matter in a reasonable manner, as you can see from the attached pdf file.

What the American Historical Association should do is give the article to the American Journal of Physics or Yvette Clarke (D-NY) and wait for their comments. Ms. Clarke is my congressman, and I have communicated with her about this scandal. I posted the article on my website at:

I live in Manhattan, and would love to give the seminar I offered to give James Grossman to the New York Historical Society.

Very truly yours,
